Para. 4 of S.N.1.

The amendement suggested by the Inspector is not quite in accordance with the rules in the Code for Indian Schools. Under that Code the Inspector ~~mfx~~ has no power to sanction scholarships under rule 57 i.e those for education of deaf and dumb, Medical and Technical or Industrial vide Rule 64 (8). The addition proposed by the Inspector to ~~Rmx~~ Article 123 (9) of the Code for European Schools will give him power to sanction all kinds of scholarships mentioned in Chapter X with out a reference to the Resident, a power which he does not possess under the Code for Indian Schools. ~~Ixxxxxxxxxxxxxxxxx~~. It seems desirable to restrict the powers to the limit exercised under the Code for Indian Schools. If this view is accepted, the addition to Article 123 (9) after the word 'Bangalore' may be as follows:-

" and the Presidency of Madras and those for Medical, Technical or Industrial and the education of the deaf and the dumb"

After issue, Inspectors of Schools should see G/O. Does not much like the formula suggested in para. To

The Inspector of Schools U.O. with reference to Para. 4.

I suggest that the appropriate section of the art. on delegation of powers (art 127 viii in the revised Code) should read as follows:

"Power to sanction, under chapter X, scholarships of the Middle, High, Collegiate, and final grades, except those tenable in schools or colleges outside the Old State of Bangalore, and the Presidency of Madras."

The terminology used is consistent with that used in the articles on scholarships in the revised Code, & excludes the 'special' scholarships which will continue to be

sanctioned by the Resident under such conditions as he may impose.

OFFICE OF THE RESIDENT IN MYSORE
BANGALORE.
30 AUG. 1934
Regd. 8023

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

Sir,

I have the honour to forward herewith an application from E.L.R. Masters for a Collegiate Scholarship of Rs.30/- per mensem tenable in the Loyola College, Madras.

2. I have sanctioned certain other scholarships under the powers vested in me by rule 123 (9) of the Code of Regulations for European Schools in the Civil and Military Station, Bangalore, but as this applicant is studying in a College outside the Civil and Military Station, Bangalore, the Hon'ble the Resident's sanction will be required for the grant of a scholarship. He was a scholarship holder in the Intermedi class at St. Joseph's College, Bangalore, but subsequently joined the Loyola College, Madras, as St. Joseph's College, Bangalore, does not teach for the B.A. Honours Course which he wished to take. The boy obtained a First class pass in his Intermediate Examination and his parents are in a very poor circumstances. In these circumstances, I request you to be good enough to move the Hon'ble the Resident to sanction a scholarship of Rs.30/- on behalf of the candidate, tenable in the III University class of Loyola College, Madras, with effect from 1.7.1934 to 31.3.1935.

3. The expenditure will be debited to "Account II-Education -G. General - G.2. Scholarships - In Arts Colleges" in

the current year's Mysore Assigned Tract budget.

4. In this connection I have to point out that under the powers delegated in rule 64(8) of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station, Bangalore, I can sanction scholarships, to Indians, tenable in schools and Colleges in the Civil and Military Station, Bangalore, and the Presidency of Madras. The European scholarships are granted on the same conditions as these and there seems to be no reason for this discrepancy between the two Codes. Scholarships are normally only granted in Colleges outside Bangalore when the applicant wishes to take a course not provided in St. Joseph's College here. I propose that this inconsistency be removed by adding the words "and the Presidency of Madras" after the word "Bangalore" in rule 123 (9) in the European Code. If the Hon'ble the Resident approves this proposal, I shall insert these words when I revise the proof of the Code which is now being reprinted in its revised form at Residency Press.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg and Bangalore.

1. A separate form is to be used for each class and value of scholarship.
2. If scholarships cannot be awarded to all the applicants, the names standing highest in this list will be selected. They should therefore be arranged in order of preference.
3. Heads of institutions are expected to recommend only pupils whose conduct has been good.
4. Application for scholarships on behalf of female pupils studying in boys' schools should be submitted to the Inspectress of Girls' Schools concerned through the District Educational Officer.
5. In the case of scholarships for Junior Intermediate enter Elementary Mathematics in column (15) and first and second optionals in columns (16) and (17) and in the case of Scholarships in the Junior B.A. enter first, second and third optionals in columns (15), (16) and (17) respectively.

N.B.—In all cases where poverty has been made a condition of award, applications will be summarily rejected unless thoroughly satisfactory evidence is produced that but for the scholarship the applicant could not continue his studies. Heads of institutions who give such certificates without proper enquiry will forfeit all scholarships for their institutions. No certificate of poverty is needed in the case of scholarships where poverty is not a condition of award, and in such cases the latter half of the certificate may be scored out.
